

## **Are you the next rising star in Nordic fine jewelry?**

**Compete in the design award Årets Guld Korn 2019 – a Nordic competition for young talented goldsmiths. This year's theme to interpret is 'The Four Elements' and the winner will be awarded a 2 500 euro NSG gift certificate at the Precious fair in Stockholm.**

Årets Guld Korn is a Swedish design award for the best young gold-and silversmiths out there. The award started in Sweden in 2013 and this year we are very excited to open the competition to other Nordic countries. No matter your background, if you think you have what it takes, please submit your application as soon as possible! Our only criteria is that you are under 30 years of age when you apply. The winner will be celebrated during the Precious Fair Gala Dinner on August 31<sup>th</sup> 2019.

**Don't miss this opportunity! Last day to enter Årets Guld Korn is April 7<sup>th</sup> 2019.**

### **Five finalists**

The first step is to submit your sketch of how you would interpret "Limitless" in a piece of jewelry. The sponsors of the competition, NSG (Norsk Svensk Guld) and Aurumforum, will then pick five finalists who will have the opportunity to make their sketch and compete for the prizes.

### **1<sup>st</sup> Prize**

A NSG gift certificate worth 2 500 euro.

+ Accommodation and dinner for two people at Precious Gala Dinner August 31<sup>th</sup> 2019.

### **2<sup>nd</sup>-5<sup>th</sup> Prize**

A NSG gift certificate worth 250 euro.

Theme: Limitless

### **The theme: Limitless**

Is the world becoming more and more limitless? Have the borders begun to erase themselves in a more global world, or are they becoming more closed off and defined? This years theme explores the interpretation of “Limitless” and we want you to let your imagination flow. The sky is the limit!

### **Compete by April 7<sup>th</sup> 2019**

Submit a complete sketch of your design, no later than April 7<sup>th</sup> 2019, together with a completely filled out entry form. Thoroughly read through the rules and criteria below.
